

## **Nuinsco Announces Successful Rights Offering To Shareholders** *Fully subscribed offering nets \$5.6 million*

**Toronto, November 27, 2006** – Nuinsco Resources Limited (“Nuinsco” or the “Company”) (TSX:NWI) today announced that it has successfully completed its previously announced rights offering. The rights offering was fully subscribed and rights were exercised for a total of 18,649,061 common shares at a price of \$0.30 per common share, generating gross proceeds of approximately \$5,595,000.

“We are very pleased with the results of the rights offering, and would like to thank all of our shareholders for their continued support on Nuinsco,” said CEO René Galipeau.

As outlined in the Rights Offering Circular dated October 16, 2006, Nuinsco intends to use the proceeds of the offering to finance exploration of its Berta copper porphyry and Elmalaan copper-zinc properties in northeastern Turkey, to finance on-going drilling and other exploration and infrastructure development at the Cameron Lake gold project in northwestern Ontario, and for general corporate purposes.

**FORWARD-LOOKING STATEMENTS:** This news release contains certain “forward-looking statements.” All statements, other than statements of historical fact, that address activities, events or developments that Nuinsco believes, expects or anticipates will or may occur in the future are forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as “seek,” “anticipate,” “believe,” “plan,” “estimate,” “expect,” and “intend” and statements that an event or result “may,” “will,” “can,” “should,” “could,” or “might” occur or be achieved and other similar expressions. These forward-looking statements reflect the current expectations or beliefs of Nuinsco based on information currently available to Nuinsco. Forward-looking statements are subject to a number of risks and uncertainties that may cause the actual results of Nuinsco to differ materially from those discussed in the forward-looking statements, and even if such actual results are realized or substantially realized, there can be no assurance that they will have the expected consequences to, or effects on Nuinsco. Factors that could cause actual results or events to differ materially from current expectations include, among other things, failure to successfully complete financings, capital and other costs varying significantly from estimates, production rates varying from estimates, changes in world copper, nickel and/or gold markets, changes in equity markets, uncertainties relating to the availability and costs of financing needed in the future, equipment failure, unexpected geological conditions, imprecision in resource estimates, success of future development initiatives, competition, operating performance of facilities, environmental and safety risks, delays in obtaining or failure to obtain necessary permits and approvals from government authorities, and other development and operating risks. Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, Nuinsco disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise. Although Nuinsco believes that the assumptions inherent in the forward-looking statements are reasonable, forward-looking statements are not guarantees of future performance and accordingly undue reliance should not be put on such statements due to the inherent uncertainty therein.
